N. B.—Such Officers as possess *British* Orders and Distinctions are noticed in their respective places.

BRITISH MILITARY OFFICERS

ON WHOM FOREIGN ORDERS HAVE BEEN CONFERRED,

Who have received the Royal Permission to accept the same, and have been duly notified in the London Gazette and registered in His Majesty's College of Arms.

REGULATIONS OF HIS MAJESTY RESPECTING FOREIGN ORDERS.

1st. That no British subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2d. That the intention of a Foreign Sovereign to decorate a British subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3d. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations the following were deemed expedient to announce, in the year 1812,

5th. "That no subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the enemy, either at sea or in the field; or unless he shall have been actually employed in the service of such Foreign Sovereign."

And in March, 1813, the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. That His Majesty's Licence and Permission doth not authorise, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Batchelor of these realms."

N. B. Before the Principal Secretary of State for Foreign Affairs takes The King's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander in Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to His Majesty's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to The King's pleasure being taken thereon,

(Signed) CASTLEREAGH.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions,* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, for any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by

His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

WAR-OFFICE, 22d August, 1821.

SIR,

WITH reference to the 64th Section of the General Militia Act, prescribing the punishment to which Militia Men enlisting into the Line render themselves liable, I am to acquaint you, that in the event of any Man who has enlisted into the Regiment under your command being supposed, or declaring himself, to have been enrolled as a Militia Man at the time when he so enlisted, reference should, in the first place, be made to the Officer commanding the Militia Corps, in order to ascertain distinctly whether the individual in question actually belongs to the Militia; and, if so, whether the Colonel of the Militia Regiment to which the Man belongs is willing to prosecute him. Should the Militia Colonel intend to prosecute, application should be made to this Office for a Route for the removal of the

Man to the Head-Quarters of the Militia Corps; in which case such Clothing and Necessaries as he may have been furnished with on his inlisting into your Regiment should, of course, be withheld from him; but if the Colonel of the Militia Corps is not disposed to prosecute, that circumstance should be reported to this Office, and the Man should be retained until further orders.

The Report made to this Office should show the Man's Name, the Corps of Militia to which he belongs, the Date at which his engagement therein will terminate, and whether the Man is in Confinement, or still doing duty with your Regiment.

I have, &c.
(Signed) PALMERSTON.

King of Arms of the Order—Sir George Na

N. B.—Such Officers as possess *British* Orders and Distinctions
tive places.

BRITISH MILITARY OFFICERS

ON WHOM FOREIGN ORDERS HAVE BEEN CONFERRED,

Who have received the Royal Permission to accept the same, and have been duly notified in the London Gazette and registered in His Majesty's College of Arms.

REGULATIONS OF HIS MAJESTY RESPECTING FOREIGN ORDERS.

1st. That no British subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2d. That the intention of a Foreign Sovereign to decorate a British subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3d. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations the following were deemed expedient to announce, in the year 1812,

5th, "That no subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the enemy, either at sea or in the field; or unless he shall have been actually employed in the service of such Foreign Sovereign."

And in March, 1813, the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's Licence and Permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Batchelor of these realms."

N. B. Before the Principal Secretary of State for Foreign Affairs takes The King's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander in Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to His Majesty's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to The King's pleasure being taken thereon.

(Signed) CASTLEREAGH.

BY the act of 49 Geo. III. cap. 126, "for the further prevention of the Sale and Brokerage of Offices," (Clause V.) it is enacted, that persons *receiving or paying, or who shall solicit, offices, or entering into any negociations, or pretended negociations, relating thereto*, will be guilty of a misdemeanour; and that persons publishing or advertising terms, for transacting business relating to the Sale of Offices, will be guilty of a misdemeanor.

By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulation made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission*, shall, on being convicted thereof by a General Court Martial, *forfeit his Commission*, and be *Cashiered*; and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contrive or give to receive, or have any money, fee, gratuity, loan of money, reward or profit beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating the Purchase, Sale, and Exchange of Commissions* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions; and great frauds committed; be it therefore enacted, that every person, *not being an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds, and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money, reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's forces, who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by

His Majesty's Regulations for the Purchase, Sale, or Exchange

GENERAL ORDER. No. 392.

HORSE-GUARDS, 8th

THE Commander in Chief has observed that the R
lation is generally neglected and evaded, which enjoins Colone
manding Officers of Corps to limit their Regimental Bands to
for a Master, and one Musician for each Troop or Company
number of Men are now taken from the Ranks and employed a
to an extent that is equally injurious to the efficiency of the ser
a hardship upon those who are subjected to the expense attend
authorized irregularity.

It is always painful to the Commander in Chief to observe
His Majesty's Regulations; and His Royal Highness feels it t
cessary to put a stop to this abuse, under the present reduced
Regimental Establishments, which calls for the efficiency of ev
far as it possible to effect it. But although the Establishment o
Companies in each Regiment is reduced, yet it is not the wish
of His Royal Highness to place the Bands upon a scale bel
been hitherto thought essential for the due performance of the d

of them; and they may accordingly be still maintained on the Establishment of a Sergeant Master, and Two Musicians. But the Commanding Officers of Corps are enjoined and commanded to be responsible, that this number shall not be exceeded under any circumstance, or arrangement whatever; and such Men as are now in contravention to the King's Regulations, clothed and [illegible] of Musicians beyond this number, must be immediately replaced in the Ranks.

General Officers are called upon on their periodical Inspections, to see that the *letter* and *spirit* of this Order are strictly complied with.

By Command, &c.
